

INCLUDED ACCESSORIES - FOR HANGING & GRATING

Shelf, Wand & Hooks

Shelf attaches to side handle. Wand lifts hooks, grates, etc. Hooks hold all kinds of meat.

H-Frame

Mainly used at top level to hang. Nests half grates and some accessories. Use on any level.

Open Frame

Nests half grates and some accessories on any level. Fits on top of base for hibachi use.

Half Grill Grates

Use these two grates along with the Open and H-frame for numerous modular options on any level.

PLUS 8 ACCESSORY PACKAGE (SOLD SEPARATELY)

13" Pan / Detachable Handle

Set on H-frame to cook pizza on the top level, or on middle level for items that cannot be hung such as meatloaf.

Drum Stick Rack

Slide 15 drumsticks on by the knuckle and set in the Open Frame on middle level.

Polyester Cooker Cover

Protect your cooker from the elements with this high-quality polyester cover.

Pitt Mitt

Keep it safe as you interact with the cooker and accessories.

Cedar Plank

Infuse flavor into fish & steak. Sets on H-Frame or Open Frame on middle level with Half Grates. Soak before using.

Slotted Half-Grill Grate

Ideal for smaller foods like shrimp or cut veggies and potatoes. Invert it for a searing plate. Sets on the Open or H-frame.

Meat Hook

Two additional hooks are included in the Plus 8. Hang more meat or daisy chain two hooks on a rack of ribs.

Full Grate

Fits on any level without the Open or H-frames. Can also be used as a bottom catch or for drip pan placement.

ADDITIONAL ACCESSORIES (SOLD SEPARATELY)

EZ-Load Turkey Hanger Kit

Multi-use hanger is the easiest way to cook poultry or large cuts like pork shoulder or ham.

BBQ Can

Smoke shrimp, nuts, veggies & meatloaf by hanging or laying on its side. Doubles as a smoke generator too.

Instant Read Thermometer

A must-have for simple, accurate, and fast measurements. Correct temperature shows in a second.

Weber® Compact Chimney Starter

As an alternative to lighter fluid, simply fill, light for 15 min, then pour onto remaining coals.
